

Well Done to Year 11 2018!

Well done and thank you to all involved in helping our remarkable students to achieve their goals!

At St Clare's we strive to allow each and every student to achieve at their individual level and in their areas of personal strength. This year we have delivered accreditation in eight subject areas ranging from GCSE, Level 1 and Entry Level. The level of attainment spans GCSE Grade 2 to Entry Level 1 and in all cases the students have made outstanding progress. As a school we have made progress in that we continue to look for opportunities to gain accreditation at all levels in more subject areas.

Individual Attainment

There were 24 students who transition from Year 11 at St Clare's in the summer of 2018 to Post 16 provisions.

Only 46% (11/24) students started at St Clare's in Year 7 and remained with us for five years. Eight students joined in KS3 and five students started at St Clare's in KS4.

20 out of the 24 Students achieved at least one or more Level 1 (or equivalent) passes (details below)

3 Students achieved at least **ONE** Level 1 (or equivalent) pass

11 Students achieved **TWO** Level 1 (or equivalent) passes

3 Students achieved at least **THREE** Level 1 (or equivalent) passes

3 out of the 24 Students achieved FIVE Level 1 (or equivalent) passes

None of the pupils at St Clare's achieved a Grade 5 or above in **GCSE examinations**, nor did any achieve the English Baccalaureate. Due to the starting point and learning needs of our young people, we would not expect them to achieve the English Baccalaureate at this point in their academic learning.
