

Easter Holiday Plans

27 March 2020

Dear parents/carers,

Following discussions with the local authorities on recent Department for Education (DfE) guidance, we have taken the decision to continue providing the current provision, to the identified students, during the Easter holidays including the bank holidays.

This means if your child has been offered a place in school, you will be able to continue to send them during the Easter holidays including bank holidays. Please be advised that provision is dependent upon the number of staff available to provide this safely. If your child has not, so far, been offered a place, but you are having difficulties, please contact the school to discuss.

This decision has been made to support the parents and carers of the identified students in the run up to the UK Coronavirus COVID-19 peak. The peak of the virus is being reported as likely to happen over the Easter break, when the support for key workers (NHS etc.) is going to be critical.

We are doing our very best to ensure that we have staff to cover the provision during the Easter break.

Kind regards,
